NAMES

Use your favorite vocab activity to practice these words!

- Underline the vocabulary words that you already know what they mean
- Circle the vocabulary words that you have heard before but don't know what they mean
- Put a box around the vocabulary words that are completely new to you

Indigenous	The original people who have lived in a place since time immemorial, anywhere in the world.
Native American	An indigenous person who belongs to a tribe in the United States.
American Indian	An indigenous person who belongs to a tribe in the United States.
Indian	What Columbus called Native Americans. This word is hurtful to Native Americans but you will see it in old books and places.
Settler	A person who moves to a new place by choice to stay there.

What do you think that time immemorial (time beyond memory) means?

Some Native Americans prefer to be called “American Indian,” some prefer “Native American,” and others prefer “Indigenous person.” Why might a Native person like or dislike each word?

TRIBES AND LAND

Tribe	A group of Native Americans who share a language and a culture. Today, the tribe is a nation.
Kalapuya	The tribe that has lived in Oregon's Willamette Valley since time immemorial.
Tualatin Kalapuya	The preferred name today for the specific tribe that has lived in Oregon's Tualatin Valley since time immemorial.
Atfalati	The name that the Tualatin Kalapuya called themselves before settlers came.
Reservation	In the past, the U.S. forced Native Americans to live only in certain areas of land. Today, these areas belong to the tribes.
Confederated Tribes of Grand Ronde	The U.S. forced 27 tribes to live on the Grand Ronde reservation in the past. The tribes included the Kalapuya. Today, the tribes together are one nation.
Tribal Affiliation	The specific tribe that a specific Native American person belongs to.
Land Acknowledgment	When a person or group says that a specific land belongs to specific tribes.

Why is tribal affiliation is the most accurate way to describe the Native American identity and nationality of a specific Native American person?

Sometimes, the meaning of a word changes from the past to today. How has the meaning of a tribe changed?
