1 Instagram Takeover: Artist Open Call

Searching for creatives who want to share!

Five Oaks Museum is looking for creatives to takeover our social media channel on Instagram. Each artist takeover spans six days, and should include an interactive activity and a culminating interactive feature.

This is an opportunity for creatives to use our platform to share their work with our museum audience and talk about the topics that are important to them.

Email molly@fiveoaksmuseum.org to find out more!
